

## **ATTENTION ALL COACHES**

As agreed upon by the Spring Co-ordinators, and the Boys and Girls Officials Associations we will maintain the idea of consistency in the clerking of events at each of the Division Meet sites.

That being said-----

All individual running events will be **VERBAL SEEDING ONLY**.  
No Index cards are needed.

All **Relays will need an index card** to clerk-in at that event.

All **Field Event athletes will need an index card** to clerk-in at that event.

The index cards must include the **athletes name, Nassau County number, school, and seed time**.

**No exceptions will be made for any schools/athletes.**
