

**SECTION VIII, NYSPHSAA BOYS & GIRLS CROSS COUNTRY  
2015 OVERVIEW  
Points of Emphasis**

**All information is consistent with last year with no changes**

- **Section 8 Cross-Country consists of 56 competing teams**
  - **The breakdown of the divisions, conferences and counties are divided equally based on the enrollment in Nassau County.**
  - **The state qualification process is reflective of the enrollment numbers as per state classification.**
1. **Weekday league competitions determine the division, and conference team champions based on their win-loss record.**
  2. **The Class County Championship (Saturday October 31<sup>st</sup>), is divided into three equal sections (I, II, III) based on Nassau County enrollment numbers. As per last year, there will be three separate races per gender (Class County Championship), which will determine the winner of each section. In an effort to provide competitive equality, three equal sections were viewed as the most effective way to compete for a class county title. This is consistent with the current model used in the winter and spring track seasons.**
  3. **The sole purpose of the State Qualifier race on November 7<sup>th</sup> is to designate the teams and individuals that will compete in the State Championship at SUNY Canton on Saturday November 14<sup>th</sup>.**  
**There will be separate races that will be run as per State Classification numbers. These numbers are different than the Class County Championship (October 31<sup>st</sup>), as there is a great difference in the breakdown for Nassau County.**  
**(Class A-20 teams, Class B-32 teams, Class C-3 teams, Class D-1)**

**\*\*This model for the state qualifier is consistent with the other sections in New York State, as well as winter and spring track for Nassau County\*\***  
**This allows teams and individuals to compete against only their respective class for the purpose of trying to gain entry into the State Championship.**

**The Sundays after the Class County and State Qualifier meets will be used as backup days for adverse weather conditions. In the event the weather or course conditions are not adequate for the Class County Championship, or the State Qualifier on either the Saturday's as listed or the back-up Sunday, then the competition(s) will need to be held during the following week. This would require athletes missing a portion of the school day due to time and daylight issues. If Bethpage Park is not available due to course conditions, then an alternate site will be considered.**
